Agenda

Which product generated the most revenue

What time of day the store performs best

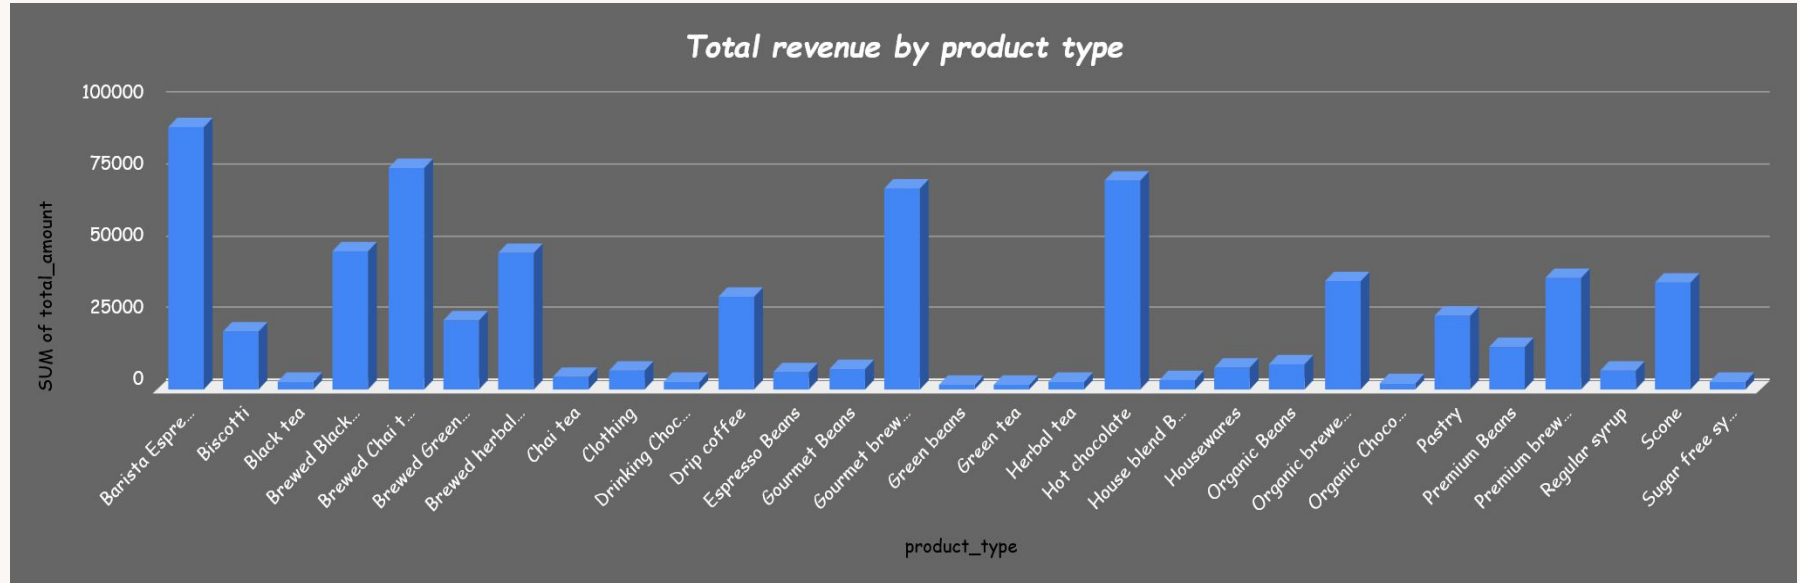

Sales trends across products and time intervals

Recommendations for improving sales performance

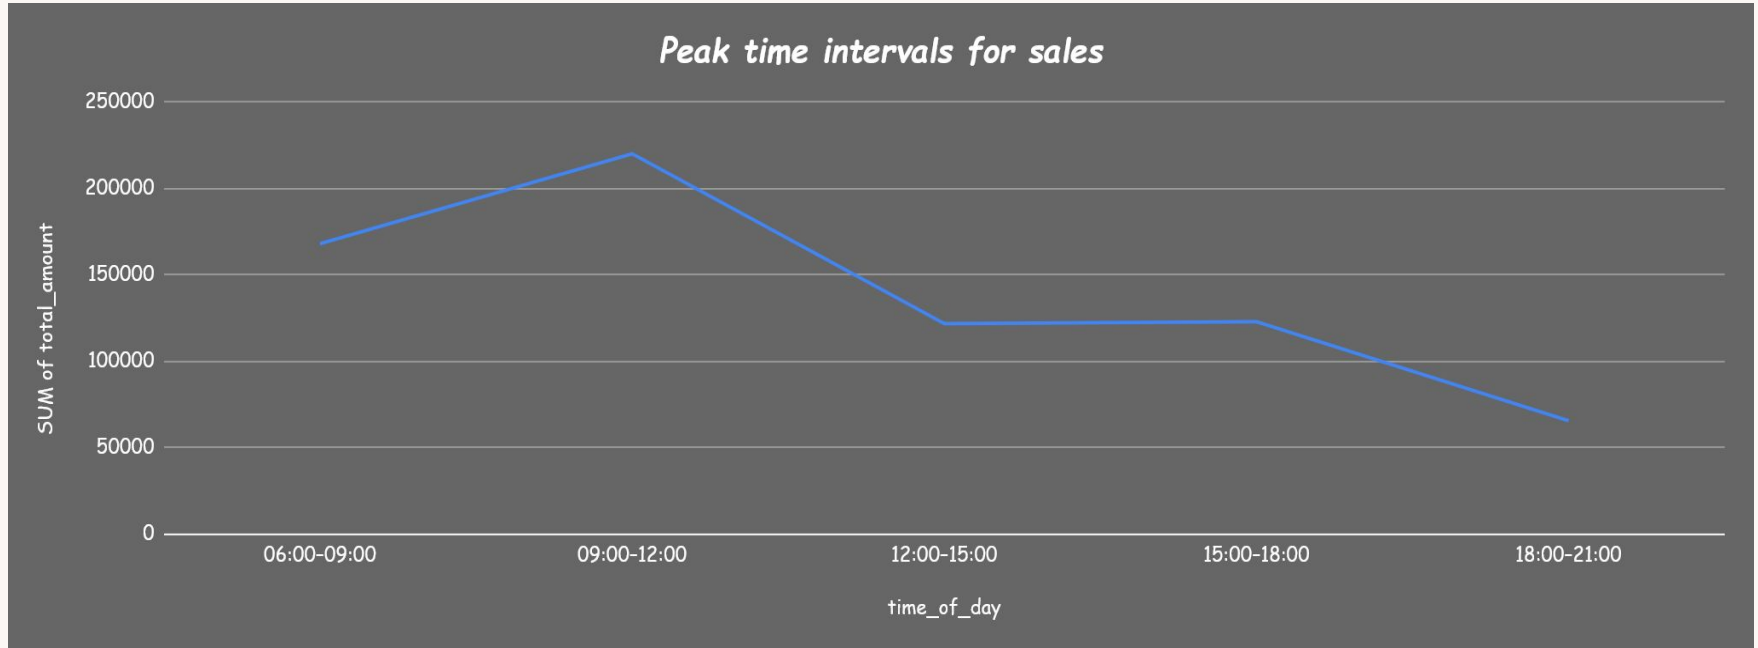

Which product generated the most revenue

The Barista Espresso generated the most revenue whilst the Brewed Chai Tea, Gourmet Brew and Hot Chocolate came a close second

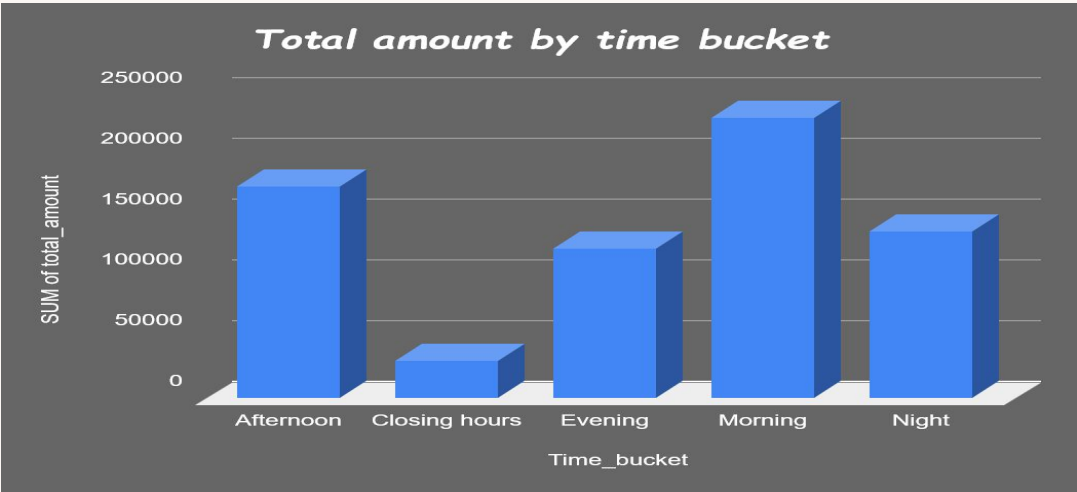

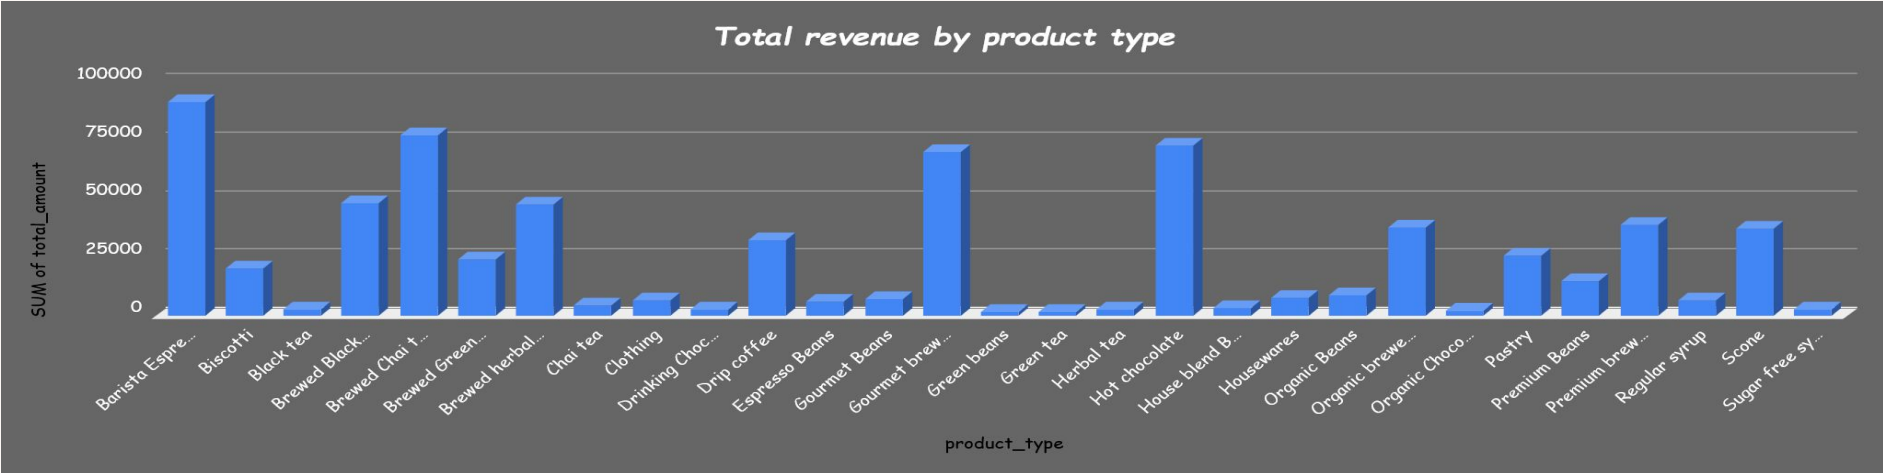

What time of day the store performs best

9-12 is where the stores performs best, because most people are on their breaks and they need coffee to boost energy for the remaining hours at work.

18-21 is where the store performs the worst because nobody is going to need coffee during those hours

Sales trends across products and time intervals

Most products are sold in the morning and afternoon

Whilst the least products are sold in Closing hours

Key Insights

Morning is the money-maker

The morning daypart generates \$231,396 — the largest share of any daypart. The single hottest slot is Tuesday morning at \$35,380.

Barista Espresso leads the menu

Barista Espresso is the #1 category at \$91,406 across 16,403 transactions. The single best-selling item is “Sustainably Grown Organic Lg” with \$21,152.

Mondays drive the week

Monday is the strongest trading day (\$101,677). Peak month: June at \$166,486; quietest: February. June revenue is up 103.8% vs. January.

Recommendations

Promote the top 3 products in digital signage and mobile ordering.

Run a “morning rush” loyalty bonus to protect the highest-value daypart.

Test an evening discount bundle to lift the weakest daypart.

Test an evening discount bundle to lift the weakest daypart.
